SCHEDULE

5/08

6:30 pm – All games listed will be played in order. If a game further down on the list has both teams readily available then playing can begin before a preceding game (earlier in the list) in which we are still waiting for teams to be ready.

Each team will play all the other teams for the next 6 weeks. When that is done we will post the championship bracket for the 8th week based off of the standings. In between those weeks (the 7th week) we will put on a tournament that outside teams can join as well as our league members. This tournament is part of the league but has nothing to do with the standings or championship.

Listed above are all the teams. If your teammate cannot make it on a given night a substitute is allowed. The rule is the substitute cannot be noticeably better than the original player they are filling in for.
