SCHEDULE

8/11

You and your partner will play all the other teams (currently 7 besides yours) for the next 7 weeks and based off standings everyone will be seeded into our 8th week championship bracket. The rainy season does tend to drop off in numbers so we are going to have all teams play each other twice.

Gameplay will begin at 6:30pm at Bean Depot off 776. We will try and do them in order but the teams that are ready first will play first meaning your team and the opposing team must check in and be prepared to play. Again teams earlier on the list that are ready will go first. This schedule has proven to be very efficient and leaves time to socialize more and/or play more pick up games.

Schedule (Rules and specs are listed below)

6:30 - We have added two more teams to the mix. We are going to revert back to normal gameplay (Best two out of three).

8 Team Single Elimination

Don't forget to text or email your team names. 715-252-7833 or joel@teamdoogie.com

Rules and Gameplay

1. A match will consist of one game to 21. We will keep track of wins/losses/points.
2. Team can do Rock, paper scissors or flip a coin. The winner of this can choose either which side/lane they want or they get to choose who goes first or second. The loser of this gets whatever choice is left over. Lanes: A team will play opposite each other in the same lane meaning if you were to walk straight over to the other board you would be face to face with your partner. Players are allowed to change side after the 1st or 2nd game but not during it. This means sides not lanes.
3. When a match is over please inform the organizer (Katy or Joel) of who won and if it was in 2 or 3 games.
4. Standings filters: 1st – wins verses losses in the standings. 2nd If multiple teams have the same standings the team who was victorious in the match played with each other will be considered a higher rank. 3rd. If teams had not played each other yet and we can't use the 2nd filter we will determine it by the number of wins in two

and the number of wins in 3. The more wins in 2 will be considered higher in ranking. If none of these filters determine who is a higher rank they will be considered tied for the time being.

5. We do not have a rule for throwing. Overhand, underhand or sideways is just fine.
6. A player must stay in the throwing box while throwing. This means within 3 feet of the board and neither foot should step past the front of the board.
7. Boards are 27 feet apart. We will provide bags but please feel free to bring your own if you prefer.
8. There will be 4 tosses per team per side. Beyond the first set of throws where who goes first is determined by the coin toss, the second set of throws and on will be determined by the winner of the previous set. That player will throw one, the next will throw and back and forth until all 8 bags are thrown.
9. Scores: 1 point will be awarded for landing and staying on the board. Three points are awarded to making a toss into the hole. This is elimination scoring and teams keep score. This means in one set of throws if a team makes 3 points and the other team makes 6 points the team with 3 will receive 0 and those 3 points will be eliminated from the other team's 6 to give them a total of 3 points. If the two teams have the same score they are eliminated (Called a wash) and neither team will be awarded points.
10. If a team lands and stays on the board and the opposing team or even the original thrower throws a toss that knocks that bag off the board the team that previously earned a point will have lost that point. In a similar case with a bag on the board if it is knocked into the hole the original thrower will receive 3 point instead of the one it was previously worth.
11. Once thrown the bag must not touch anything else before landing on the board. For instance, if a bag hits the ground and bounces up on the board it must be removed right away and is worth 0 points.
12. MOST IMPORTANT HAVE FUN!!!! We will definitely have some good competition but please remember it is a social league and is meant for people to meet others, make new friends and have a great time! We are guests at the Bean Depot and we definitely want to make them feel appreciated. Please acknowledge their friendly service. Sportsman like conduct is a must, please no fighting or loud arguing. If there is a game issue please present it to an organizer calmly. Any obscene behavior will be addressed by asking the participant to leave for the night, possibly the rest of the season with no refund if it is severe.

If something was not addressed in this please ask us and we will get an answer to you.
